

# Universidade de Santiago de Compostela - EULA

- 1- The **SOFTWARE** raicat.py and propcondu.py and the accompanying documentation are the sole property of Universidade de Santiago de Compostela.
- 2- **Applicability.** This end user license agreement (“the Agreement”) governs the use of the accompanying software. By downloading, copying, or using the software you agree to this Agreement
- 3- **Terms:** This Agreement includes supporting material accompanying the software
- 4- **Authorization:** If you agree to this Agreement on behalf of another person or entity, you warrant you have authority to do so.
- 5- **Conditions.** You can use the software subject to the following restrictions:
  - a. You may not use the software to provide service to third parties
  - b. You may not make copies, modify, distribute, resell or sublicense software to third parties.
  - c. You may not copy software or make it available on a public or external distributed network.
  - d. You may not modify, reverse engineer, disassemble, decrypt, decompile or make derivative works of software. If you have a mandatory right to do so under statute, you must inform USC in writing about such modification
  - e. You may use the SOFTWARE for a maximum period of 3 months subjected to the previous conditions.
- 6- **Ownership.** No transfer of ownership of any intellectual property rights will occur under this Agreement.
- 7- **Copyright notices.** You must reproduce copyright notices on software and documentation related to the software.

- 8- **Warranties:** You are responsible of the use of the program and the results obtained with it. Universidade de Santiago de Compostela won't be responsible for any loss or damage caused by the software.
- 9- **Jurisdiction.** This Agreement shall be construed under and be governed in all respects by the laws of Spain. In case of conflict with this Agreement the disputes shall be settled exclusively by the competent courts of Santiago de Compostela (Spain).
